On March 30, 2012, the parties appeared for an initial case management conference. The parties indicated that they are currently attempting to reach an agreement that would resolve this case. The parties are required to file a report no later than April 30, 2012, apprising the Court of the progress of their discussions, indicating whether an order requiring formal ADR is appropriate, and proposing a case management order, if appropriate.

It is so ORDERED.
